

Affordable Housing Trust Fund Task Force

In June of this year, St. Louis County Executive Steve Stenger signed an executive order creating an Affordable Housing Trust Fund Task Force. This Task Force will identify the best way to set up a housing trust fund in St. Louis County.

A housing trust fund is a distinct fund established by county government that receives ongoing dedicated sources of public funding to support the preservation and production of affordable housing and increase opportunities for families and individuals to access decent affordable homes.

To gather input on community needs and priorities related to affordable housing, the task force has created two surveys, one for residents and one for organizations. Click [HERE](http://www.stlouisco.com/housingtrustfund) (www.stlouisco.com/housingtrustfund) to take St. Louis County's Affordable Housing Survey before December 12, 2018. If you have any questions regarding this survey or the work of the affordable housing task force, please don't hesitate to contact:
